CASTEL, District Judge:

Pursuant to Rule 45(f), Fed. R. Civ. P., the Court grants petitioners' motion to transfer this matter to the Eastern District of New York where the action in which the discovery is sought, Allstate Ins. Co., et al. v. Svetlana Khotenok, et al, 18 cv 5650 (FB)(RER), is pending. The reason for the transfer is two-fold. First, petitioner has moved for such relief and respondents have not timely opposed the motion and thus respondents implicitly consent to such relief. Second, the Court finds that the following amounts to exceptional circumstances: the action has been pending in the Eastern District of New York since October 10, 2018 and the Brooklyn Courthouse of the Eastern District of New York is a mere two miles away and there can be no prejudice to the respondents from the transfer of venue.

The Clerk is directed to transfer the motion to the United States District Court for the Eastern District of New York and to close the matter in this district.

SO ORDERED.

P. Kevin Castel
United States District Judge
